

NOMADS FOR PEACE AND LOVE

LIVING SIMPLY. LOVING DEEPLY.
WALKING HIS WAY.

SHARING TOGETHER

Join us as we look at what it means to live nomadically like Jesus—embracing a lifestyle rooted in simplicity, detaching from strongholds of material possessions, creating a deep spiritual purpose that focuses on serving others in love. Nomads for Jesus are not confined to four walls but allowing holy disruption in everyday life to care for those on our paths.

We are called to live, love and walk out our lives like Jesus. Are you ready to become fully awake and ready to respond? Are you ready to be pioneers in uncharted territory? There is something exciting about journeying ahead with Jesus as our navigator and compass!
